Subject: APPLICATION WSCC/011/21

As a Resident of Arundel I am writing to formally Object to this Application for the Arundel Valley Rubbish Incinerator on the grounds,in particular, that:

1. It is an eyesore which will impact adversely on an enormous area of the South Downs National Park.
2. The harmful Emissions will impact adversely on the Residents of Arundel, the surrounding Villages, the new large proposed housing development off Ford Road and beyond.
3. The massive increase in heavy traffic movements (and consequential pollution) is incompatible with the roads in the Locality.
