I object to the North Elevation of Incinerator.

My reason for objecting:

Visual Impact

We are supposed to be using the recycled plastic to make things.

We should not be burning plastic

Harming the air quality

To keep the area small, quiet clean and nice for the tourists that come from all over to visit.

It will bring large lorries in and out of the area

Keep Arundel and surrounding areas green

Please do not allow this to go through.

Thank you,
