## Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	Trevor Cooper
Address	HILLSIDE COTTAGE, ARUNDEL, BN18 9RR
Type of Comment	Objection
Comments	I object to this proposal: - because of its scale which is inappropriate for the area - because of the way it will ruin views from the south downs national park and be detrimental to the nature of the coastal plain - because it will generate significant extra traffic of large vehicles - because of my concerns about health from particulate emissions to those with asthma and similar conditions - because I do not believe we need more incineration in the area - because it does not appear to be in line with ADC's intentions for housing and a new school
