**Subject:** Objections to Arun Valley incinerator  
**Date:** 10 May 2021 11:00:12

---

Dear sirs,

I wish to add my name to the objection list for the above planning proposal.

It is without merit and so out of character for this area. It will achieve more environmental harm than it helps.

We wish to recycle and do so.

Please do not grant this planning, and destroy a beautiful and balanced ecology.

Annie Bennett
