## Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 John Holmes.
Address	Wellnap Cottage, Church Hill, Slindon. West Sussex.
Type of Comment	Objection
Comments	The monstrous size of the building with its huge towers ,the increased traffic of large vehicles along Ford Road, the increase of harmful emissions, are all reasons I object to this plan. In addition there is the traffic flow problem of the A27, a solution to which is only in the pipeline. Then there is a plan for housing and a new school with which this proposal clashes. It is difficult to think of any location in the UK where such a building could be accommodated. The proposal to locate this building in the Arun Valley so close to the South Downs National Park is not only unacceptable, the proposal is perverse.
