Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	Sue Bradstock
Address	HORSE FIELD HOUSE, CHURCH LANE, CHURCH LANE, CHICHESTER, PO20 2DG
Type of Comment	Objection
Comments	An huge building in the only undeveloped area between Bognor and Brighton. There is an existing permission on this site for a much smaller and more advanced technology gasification plant that would not have the impact that this proposal has. It would create the same number of jobs. Incineration is the most polluting form of energy generation that is in existence. It produces more than double the amount of CO2 than coal does to get one unit of electricity.
