## Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	Charles Richardson
Address	MARINE DRIVE WEST, 44, MARINE DRIVE WEST, CHICHESTER, PO20 8HH
Type of Comment	Objection
Comments	The towers will have a negative effect on the immediate area and the wider landscape set in the only undeveloped stretch of coastline. The presence of the facility will also have reduce the utility of the land in close proximity and will prevent building of much needed homes and community facilities. The existing consent is a more appropriate in terms of visual impact and over bulk.
