Comm	nent for planning application WSCC/011/21
Application number	WSCC/011/21
Name	Anna Larking
Address	8a Wolsey Grove Esher Surrey
Type of Comment	Objection
Comments	As a past resident and frequent visitor to W Sussex I think this is the wrong use of the land. This type of incinerator creates far more CO2 than others . This location will be utterly detrimental to the future plans of housing and school.
