Subject: RUBBISH INCINERATOR ARUN VALLEY
Date: 11 May 2021 17:29:04

Application WSCC/011/21

[Sent from Yahoo Mail on Android](#)

I strongly object to the building of a rubbish incinerator in Ford.
I live in Tortington Manor and feel the extra lorries going to and fro along the Ford Rd would be a hazard and extremely dangerous for the local community.
This road is already very fast and busy and building this huge incinerator in this area will ruin the Arun valley.
