Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Deborah
Address	LITTLE MARTINS, DYERS LANE, DYERS LANE, ARUNDEL, BN18 ORE
Type of Comment	Objection
Comments	Absolutely opposed to an incinerator being approved and built. Spend the money on more efficient recycling, schools and homes, and the enhancement to the environment. An Incinerator equals more destruction and an even more polluted environment for future generations as if there wasn't enough already, eg new roads etc. STOP!
