Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Pauline Fraser
Address	HONEYPOTS, CHARLECOTE ROAD, CHARLECOTE ROAD, WORTHING, BN11 1LX
Type of Comment	Objection
Comments	I object to the building of the massive waste incinerator being proposed for the former Ford Airfield Site for the following reasons: even if the most sophisticated technology is used, there will still be toxins and pollutants emitted that can endanger the health of local residents; it is 'second-best' technology - far better to encourage the four R's: recycling, reusing, repurposing and reducing; the amount and type of materials used in construction of the plant will themselves produce large amounts of greenhouse gases and other pollutants; use of wood as the energy source would deplete world's forests and increase greenhouse gases.
