Comn	nent for planning application wSCC/011/21
Application number	WSCC/011/21
Name	Todd Finn
Address	35 Lime Kiln Coppice, Felpham, West Sussex, PO22 8FZ
Type of Comment	Objection
Comments	We strongly oppose the proposed building of an incinerator in Ford! We are moving to a new build in Ford early next year to raise our first child! The last thing we want is the risk of added pollution to us and our child. Given current climate policy and the move to green sustainable energies that do not impact people's health or environment this proposal is complete deaf to not only local residents concerns but the world as a whole. Not only is this completely irresponsible to the local residents but also the the global climate challenge we all currently face! PLEASE STOP THE INCINERATOR!!
