Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	Victoria Barrett
Address	HENFIELD WAY, 23, HENFIELD WAY, BOGNOR REGIS, PO22 6QL
Type of Comment	Objection
Comments	We should be looking to cut carbon emissions not create more, this is going against the direction we should be heading for a cleaner earth - with extra traffic making our small roads more dangerous, terrible council once again fails to set a good example.
