## Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 Shirley Haywood
Address	SEA LANE, 1, SEA LANE, BOGNOR REGIS, PO22 7RH
Type of Comment	Objection
Comments	I object to this application as the size of the building and height of the chimneys are totally inappropriate for this area and on a flat plain it will be impossible to screen them adequately and they will be visible for miles around. Movement of large quantities of waste to this area and disposal of ash from the process will have a harmful cumulative traffic effect on already inadequate roads. Additionally the presence of this new establishment will risk the deliverability of 1500 new homes in this area. The coastal fringe deserves better than this and Ford should not be the site for mass incineration of rubbish.
