Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="I object to the size, scale, location and concept of this planning proposal. Quite apart from the disruption of this scenic stretch of the South Coast, I object to the social disruption and environmental impact of a substantial increase in heavy traffic, both during construction and operation. I am concerned that waste gasses will be blown directly up the Arun Valley and towards my home."/>
