Comn	nent for planning application wSCC/011/21
Application number	WSCC/011/21
Name	Marian Betts
Address	HAREFIELD ROAD, 3, HAREFIELD ROAD, BOGNOR REGIS, PO22 6EB
Type of Comment	Objection
Comments	I must object to the proposed application for an incinerator to be erected on the Ford Site. I object not only on the eyesore, the smells emoted but also on the increase of traffic on the roads it will bring. The amount of proposed house building in this area beggars belief, with not thought to the infrastructure and roads. I am one of the few 'locals' born and bred in this area and we are quickly becoming a mass, noxious housing area. When is it going to stop?
