Address	14 HALL COTTAGES, BARNHAM ROAD, BARNHAM ROAD, CHICHESTER, PO20 3RS
Type of Comment	Objection
Comments	I object to the location of the incinerator because of its proximity to existing communities that do not have the road infrastructure to manage the heavy traffic created by this plant. Also, I object as placing a facility like this so close to housing and schools is inappropriate due to the pollutants expelled into the air and the risk of chemical and other pollutants seeping into the ground and groundwater. Much better locations could be found for such a plant if absolutely necessary - brown field sites - however the waste disposal technology advances of recent years mean a plant of this mature will soon be obsolete.
