Application number	WSCC/011/21
Name	Siobhan Jasper
Address	OLD POINT, 21, OLD POINT, BOGNOR REGIS, PO22 7RY
Type of Comment	Objection
Comments	I oppose the application to build an incinerator on Ford Circular Technology Park because it will cause an increase in traffic on the A259 and the surrounding area. The chimney will stand out against the skyline and the pollutants will fall on the surrounding houses. There is also a proposal to build more housing and a school on this site, and therefore it could be a health and safety issue for those residents.
