Comm	ient for planning application wscc/011/21
Application number	WSCC/011/21
Name	Sue Foley
Address	WELL HOUSE, SCHOOL HILL, SCHOOL HILL, ARUNDEL, BN18 0RS
Type of Comment	Objection
Comments	This project should not be allowed to go ahead. It will result in major heavy vehicle traffic on local roads, damage the local environment and be a threat to the health of local residents, with 1500 new houses due to be constructed in close proximity to the incinerator chimneys. This is a backward step for a country that is trying to become more environmentally aware.
