Comn	nent for planning application WSCC/011/21
Application number	WSCC/011/21
Name	GlennMasters
Address	EAPPA FARMHOUSE, NORTH END ROAD, NORTH END ROAD, ARUNDEL, BN18 0DL
Type of Comment	Objection
Comments	I understand the need for an incinerator, but why on earth can't it be put below ground, all bar the chimneys, or half underground with a roof half round so it could be turfed , with the surroundings landscaped , ie lots of trees which in time would help hide most of it, It can be done or at least take five minutes and check out cope hill in Sweden. Regards Glenn Masters
