

# Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	Victoria harris
Address	ST. NICHOLAS LANE, 2, ST. NICHOLAS LANE, BOGNOR REGIS, PO22 7SY
Type of Comment	Objection
Comments	The proposed site is too close to many housing development schemes. The number of elderly residents living close by with various health issues would be directly impacted. Already a crematorium has been granted building permission, plus this will seriously impact on the quality of the environment. It is unsightly and totally the wrong place.
