Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Karen Jeffries
Address	4 Holm oaks Burndell Road Yapton Arundel
Type of Comment	Objection
Comments	No need for another incinerator in this area. We do not want pollution, noise, lorries or any other disturbance in this area. This was a green area semi rural and is gradually being taken over. This is not green energy and will harm air quality. Visually it will be an eye sore and blot on the landscape. Please consider the residents of this area for health and safety reasons.
