Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 Carolyn Garn
Address	SOUTHDEAN DRIVE, 62, SOUTHDEAN DRIVE, BOGNOR REGIS, PO22 7TB
Type of Comment	Objection
Comments	This proposed facility is too big for this lovality and will have a huge negative impact. There will be increased noise and traffic pollution from the additional lorries going to and fro. The existing roads are narrow and already congested with parked cars plus delays at certain junctions and the rail crossing. New housing development will not improve this. There will be pollution from the chimneys. They will be eyesore from the height of the chimneys in the area of natural beauty. The expansion of the waste site is not appropriate for the area.
