Application number	WSCC/011/21
Name	Robert Parry
Address	ST. MARYS MEADOW, 25, ST. MARYS MEADOW, ARUNDEL, BN18 0EE
Type of Comment	Objection
Comments	This gross construction will have an immediate negative and environmental impact on residents, not only for the size of the construction but also on the number of lorries travelling to and from the site using access roads that are small roads that will already be suffering from the massive construction of houses being built now. in the area. This building is absolutely not right for this area.
