

# Comment for planning application WSCC/011/21

Application number

WSCC/011/21

Name

Pamela godfrey

Address

1 Farm Close, Elmer, West Sussex

Type of Comment

Objection

Comments

While recycling is very important and alternative energy essential, this facility needs to scale back to less imposing dimensions. There is much agricultural production in the region and output from the incinerator will, spread harmful chemicals across fields growing food we have to eat. Please reconsider the planning development.
