Name	Charlotte McAdams
Address	MAY CLOSE, 7, MAY CLOSE, LITTLEHAMPTON, BN17 5TF
Type of Comment	Objection
Comments	There are so many reasons to object to this The area simply does not have the infrastructure to manage this We have lost so much green space to housing and other construction Our wildlife will be effected We live in such a beautiful area how can such an ugly eyesore even be considered The noise and smell pollution will have an impact on the local community as far as Worthing and Chichester We benefit from tourists wanting to visit our beautiful Beaches , arundel and littlehampton this will put them off and have a financial impact
