Comments	We object strongly about the proposed height of the incinerator tower. The plans show it to be taller than the spire of Chichester cathedral. If this went ahead it would be a monstrous sight in the area and a blot on the landscape. It would be seen for miles around in every direction and would detract from the characters of Ford, Yapton, Littlehampton and Arundel. Any proposed tower should not obscure the skyline. Additionally, we understand that a new housing development will be built soon in this vicinity and a huge tower like this would undoubtedly detrimentally affect lots of young families wanting to move to Ford/Yapton. Ford and Yapton are quiet villages and this proposed immense tower is totally unsuitable.
