Application number	WSCC/011/21

Address	MALTRAVERS STREET, 53, MALTRAVERS STREET, ARUNDEL, BN18 9BQ
Type of Comment	Objection
Comments	I am deeply concerned about the impact on air quality - anything that damages air quality should not pass, especially in these covid times with so many with new or excerbated respiratory conditions. There will be more heavy traffic on surrounding roads, another air quality issue. Additionally, it will be an eyesore, and is not needed or wanted.
