Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="I am objecting to this planning proposal because of the following: Too close to residential areas in Arun Valley, with health risks to the local population. Risks to the local environment with air and water pollution Defacement of the local area and the rural aesthetics. Impact on local roads with increased heavy traffic travelling to and from the site. Size of the proposed building is totally unacceptable and would be a literal blot on the landscape."/>
