Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Leonie Randon
Address	PARK DRIVE, 14, PARK DRIVE, ARUNDEL, BN18 0JF
Type of Comment	Objection
Comments	It is too close to domestic dwellings and the pollution levels will be unacceptable. There is no infrastructure to support the amount of traffic. The proposed building is enormous and will become an unfortunate focal point in the Arun Valley and will have a severe in fact on the property market and tourism. We need a new school and new village facilities NOT this horrific incinerator.
