Name	Anthony de Claire
Address	PIGEONHOUSE LANE, 35, PIGEONHOUSE LANE, LITTLEHAMPTON, BN16 2BG
Type of Comment	Objection
Comments	1. Will visually detract from wide swathe of surrounding countryside and residential (current and planned) areas; being an high out-of-character industrial structure. 2. Overall, an inefficient 'green' energy and waste disposal proposal, that with the predominately prevailing winds will blight urban (residential, schools, local businesses) areas to the west (namely Arundel, Littlehampton/Rustington)with a high potential of air pollution. 3. Unnecessarily, increase heavy vehicles on our country roads.
