Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 Paula Bray
Address	MAY CLOSE, 12, MAY CLOSE, LITTLEHAMPTON, BN17 5TF
Type of Comment	Objection
Comments	It is too close to housing in Climping, Ford & Yapton. It will add an extra 240-440 lorries a day, many from outside the county. The local roads can not cope with the current traffic, let alone the extra which will come from the new housing as well as extra lorries! The emissions really worry me as it will create noxious and hazardous fumes which will effect the health of the local people. There are much cleaner ways to create energy. It is not needed to deal with waste from West Sussex. The road access is poor as it is a single carriage way, unclassified road. It will effect the views for miles around, including from the Southdowns national park and the historical town of Arundel.
