| Comn               | nent for planning application WSCC/011/21  |
|--------------------|--|
| Application number | WSCC/011/21  |
| Name               | Paul Brown   |
| Address            | ASHURST, BULLDOGS BANK, TOP ROAD, TOP ROAD, EAST GRINSTEAD, RH19 4PH   |
| Type of<br>Comment | Objection  |
| Comments           | Incineration is demonstrably proven to be the most environmental damaging way of dealing with waste. It is contrary to HMG and WSCC climate emergency commitments on CO2 reduction. If permitted it would be harmful to the air quality and the health of residents due to emissions including dioxins, NO2 and ultra fine particulate matter. |
