Application number	WSCC/011/21
Name	Sue Frost
Address	THE BUNGALOW, CHURCH LANE, CHURCH LANE, ARUNDEL, BN18 0FH
Type of Comment	Objection
Comments	The energy produced is not green. Incinerators emit a massive amount of CO2 Incinerators reduce recycling and will inhibit the circular economy Local roads are totally unsuitable for 240 HGV journeys per day. The roads are already in a bad condition The incinerator will be close to existing and planned housing The visual impact of this huge structure in the Arun Valley will be highly detrimental to the area which is close to the South Downs National Park West Sussex does not need this incinerator
