| Application number | WSCC/011/21 |
|--------------------|---|
| Name | Paterson |
| Address | Tottingly West Walberton Lane Arundel |
| Type of Comment | Objection |
| Comments | This is a facility that is unnecessary for the local population; is environmentally unfriendly; adds to pollution and detracts from recycling and the HGV's at a rate of over 200 per day is unsupportable on local roads. I strongly object to this application. |
