Comm	nent for planning application wscc/011/21
Application number	WSCC/011/21
Name	Maria O?Connor
Address	OSBORN CLOSE, 10, OSBORN CLOSE, LITTLEHAMPTON, BN17 7EN
Type of Comment	Objection
Comments	This will be incredibly bad for people's health: anyone suffering from lung diseases, including COPD and asthma will be particularly at risk. The siting of the incinerator will lead to even more heavy vehicles travelling the roads around Ford, Barnham, Yapton, etc, than use the roads already. Local roads were not constructed to take the existing volume of heavy traffic - they certainly won't cope with more. The County Council doesn't keep up the roads to an acceptable and safe standard, and even more heavy vehicles will make the roads even more unsafe. The increased volume of traffic will make the roads much less safe for all road users, particularly cyclists, and especially child cyclists.
