Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 MRS MONICA COOPER
Address	HILLSIDE COTTAGE, ARUNDEL, BN18 9RR
Type of Comment	Objection
Comments	I am alarmed to learn about this application. Whilst I applaud the support the need to provide waste and recycling facilities, the size and potential impact of this facility are hugely disproportionate to the impact ir'll have in the area. I understand it will be higher than Chichester Cathedral, which can be seen from miles away (a pleasant sight, whereas incinerator chimneys are not), it will be a huge blot on the landscape for local residents, particularly for those in the new housing developments. The quantity of incineration is alarming from the perspective of CO2 emissions and I'm very concerned about the increase in heavyweight lorries using the roads. In short I am strongly against this proposal but would consider a smaller facility in a more favourable light.
