Application number	WSCC/011/21
Name	Eric Wilkinson
Address	HANTHORPE, WEST WALBERTON LANE, WEST WALBERTON LANE, ARUNDEL, BN18 0QS
Type of Comment	Objection
Comments	Visual Impact of an 85m structure in the Arun Valley, close to the South Downs National Park. Proximity to existing and planned homes. Local Roads are unsuitable for 240 HGV journeys per day. West Sussex does not need this incinerator. Incinerators reduce recycling and will inhibit the circular economy. The energy produced is not green. Incinerators are massive emitters of CO2.
