Comm	ient for planning application wscc/011/21
Application number	WSCC/011/21
Name	Timothy Kerss
Address	SILVER BIRCH DRIVE, 3, SILVER BIRCH DRIVE, BOGNOR REGIS, PO22 6SE
Type of Comment	Objection
Comments	A carbuncle on the face of the West Sussex landscape. This application should be rejected for so many reasons, primarily because it is simply not needed; there are enough incinerators to meet local needs already. Moreover, the proposed building will be hugely out of keeping with the area, and result in increased pollution, increased health hazard for local inhabitants and new home owners, increased heavy traffic on an already overstretched road network, increased pressure on local infra structure. The list goes on, but why object? History has shown that WSCC will take absolutely NO notice of valid public concern and objections. In their world money talks louder than anything else, and this will be approved; watch this space!
