

2 The Paddock, Lyminster, Littlehampton, West Sussex, BN17 7QH

9/5/21

With reference to planning application
W 2021/011/21, I strongly object
to the proposed Arun Valley
Rubbish Incinerator; this incinerator
must not be allowed to further
blight our beautiful Sussex countryside
which is already disappearing under
housing & roads, which are already

overrun by enormous lorries.

We all know that our roads
were never meant to have high
pavement which do not
help the state of the road
surfaces.

This must not happen!
Yours sincerely,
