'Mantony'  
Crossbush Lane,  
Crossbush,  
Arundel,  
W. Sussex.  
BN18 9PQ

For the attention of WSCC.

re. Granton/Visidor proposed 'Ford energy from Waste Site  
Planning reference WSCC/011/21.

We are writing to object to this plan.  
Whilst the proposed site is outside of our parish,  
Hyminster + Crossbush, it will have direct impacts  
upon us by way of lorry movements taking waste  
to the site, the emissions from the chimney being  
carried by prevailing winds directly towards  
our parish, also, the impact on the natural environment  
noise and disturbance etc, and the suitability for  
the area are but a few reasons to object.

Yours sincerely

Jane + Tony Edney
