Subject: WSCC/011/21 - FORD WASTE INCINERATOR

Dear James

I realise the closing date for the above consultation has closed but due to the fact that we had no planned Council meetings during the consultation period I had to obtain agreement from Councillors to our response via email exchanges which of course take a bit longer.

I am hoping that you will feel able to accept this slightly late submission and add it to the consultation responses on the application website.

Barnham and Eastergate Parish Council has looked at the revised application WSCC/011/21 as a Parish Council closely connected to the area of the site for this proposed Incinerator. Having examined many of the objections already lodged, and in particular those from neighbouring Parish Councils, this Council wishes to submit an objection that broadly supports the majority of the points made in both those submissions. We don't feel the changes made to this current plan have changed our reasons for objection.

In addition, whilst the Council does not disagree with the need for such a facility it does believe that the proposed location (facility) in such a rural, coastal plain location and close proximity to substantial planned housing development that is poorly served by HGV suitable roads is unsuitable.

Perhaps you can confirm whether or not you will accept this response.

Regards

Alison Crabb

Clerk, Barnham & Eastergate Parish Council

Office hours: Tuesday, Wednesday and Thursday 9.30 a.m. – 1 p.m. at Barnham Community Hall
at other times I can be contacted by email: clerk@barnhamandeastergate-pc.gov.uk or by phone on 07565 052617 where a message can be left if I don't answer.
