> Application number: WSCC/011/21

> Site: Ford Circular Technology Park, Ford Road, Ford BN18 0XL

> Proposal: Demolition of existing buildings and structures and construction and operation of an energy recovery facility and a waste sorting and transfer facility for treatment of municipal, commercial and industrial wastes, including ancillary buildings, structures, parking, hardstanding, and landscape works

I strongly object to the above application. It is totally inappropriate for this huge facility to be placed in close proximity to existing and proposed residential developments and it would pose a considerable risk to public health - not only the facility itself but also the traffic it would generate.
