Subject: Objection to Planning Application WSCC/011/21
Date: 16 May 2021 19:15:33

Hello,

I am writing to object the planning application (WSCC/011/21) for Arun Valley Rubbish Incinerator.

Some of the reasons I object to this planning application are the following:

The visual impact of this building.

No local need for more incinerators.

The harm it will cause to air quality - effecting the environment and human health.

Big lorries on local roads.

Please take into account these reasons for my objection to the planning application of Arun Valley Rubbish Incinerator.

Thank you,

Daisy Turner
