Dear James,

Further to your letter to our Town Clerk on the 4th of August, our Planning Committee discussed the further information and other general clarifications on a range of matters concerning WSCC/011/21 and concluded that the changes made do not alter the Council's previous objections made in May 2021. The Committee subsequently objected to this application.

Please find a letter attached from our Mayor to this affect.

I have also tried to upload our objection and letter to the WSCC website but I keep getting the following message:

Error.

Sorry, an error occurred while processing your request. Please press the back button and try again.

Please let me know if I still need to respond online and if so advise what I am doing wrong.

Kind regards,

Dear James,

Planning Application WSCC/011/21 Ford Circular Technology Park, Ford Road, Ford, Arundel BN18 OXL

Arundel Town Council Planning Committee have carefully considered the modifications to this application.

We have concluded that the modifications proposed by the applicant do not materially affect the detailed grounds on which the Council has previously objected to this application. Therefore we continue to object to it as an inappropriate development on this site.

Yours sincerely,

Tony Hunt
