Dear Mr Neave,

Planning Application & notice under regulation 25 of the submissions for further information for: Ford Energy from Waste Facility at Ford Circular Technology Park, Ford Road, Ford, Arundel BN18 0XL

Reference: WSCC/011/21

Demolition of existing buildings and structures and construction and operation of an energy recovery facility and a waste sorting and transfer facility for treatment of municipal, commercial and industrial wastes, including ancillary buildings, structures, parking, hardstanding, and landscape works.

Thank you for consulting Public Health England (PHE) with regard to the further information and evidence submitted for the above proposal.

We previously responded to a revised consultation for the above proposal on the 29 April 2021. The additional information supplied does not cause any change to our previous response and we have no further comments at this time.

Yours sincerely

Environmental Public Health Scientist
