Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	Francesca Townsend
Address	BELLOC ROAD, 35, BELLOC ROAD, LITTLEHAMPTON, BN17 7EZ
Type of Comment	Objection
Comments	I strongly object to this being built. It will ruin the town, it's not only ugly but a massive step back environmentally. We need to be a town that stands out with environmental issues, investing in green energy, eco shopping and promoting less wasteful living which I see happening already, unfortunately if this is built everything we are doing will be futile. What will be the point of solar panels or group ocean clean ups when this monstrosity is looming over us? How will we teach our children to look after the earth when we let this be built? We can't do this, we shouldn't do this. Please find a better way, let us all find a better way. Thank you Francesca
