## Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	Sasha Osborne
Address	Sunflowers, Hobbs Court, Bilsham Road, Arundel, West Sussex
Type of Comment	Objection
Comments	I strongly object to this application. This development idea has no place in this location, there must be more suitable area's. The local area has now many more housing developments site's with young families moving in.
	It would damage the natural countryside considerably & affect the area hugely in a negative way. Our local flower & fauna would also be affected with the constant pollution. This application must not be allowed approved - it's completely inappropriate.
