Dear Mr Neave

**T&CP (Development Management Procedure) (England) Order 2015  
& Planning (Listed Buildings & Conservation Areas) Regulations 1990**

**FORD CIRCULAR TECHNOLOGY PARK, FORD ROAD, FORD BN18 0XL  
Application No. WSCC/011/21**

Thank you for your letter of 4 August 2021 regarding the amendments to the above application for planning permission.

We have read the applicant's response 'Further Info - Reg25 - Part 1- Letter - July 21' which sets out why they do not consider that the further viewpoints we requested are required. We disagree, and while we appreciate that the viewpoints were agreed with the County Archaeological Advisor, we consider that the visualisations are needed to provide an accurate assessment of the level of harm to St Andrews Ford, Climping Deserted Medieval Settlement, Yapton Church Lane Conservation Area and Tortington Priory.

We therefore consider that the comments set out in our previous letter of 14 May 2021 still stand.

Yours sincerely

**Isabelle Ryan**
