Steve/all,

Further to our recent discussions, given there remain some matters which you are seeking to resolve, and delays in getting responses from technical consultees, it will not be possible for the application to be considered at committee on 12/10/21 as originally projected.

On that basis, please could you confirm that the applicant is willing to accept an extension to the target determination date until the **03/12/21**. For clarity, I would be grateful if you could also confirm this would similarly apply to the PPA Schedule 1 target date.

Of course if matters can be resolved sooner, the next available committee will be targeted.

I look forward to hearing from you,

Regards,

James
